Fractional T-Slotted Profiles - 10 Series

10 Series profiles always measure .50" from the outside edge of the profile to the center of the T-slot.

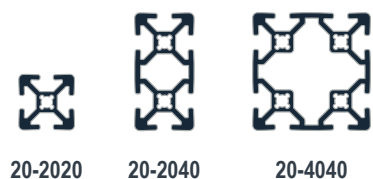

Fractional T-Slotted Profiles - 15 Series

15 Series profiles always measure .75" from the outside edge of the profile to the center of the T-slot.

Metric T-Slotted Profiles - 20 Series

20 Series profiles always measure 10.00mm from the outside edge of the profile to the center of the T-slot.

Metric T-Slotted Profiles - 25 Series

25 Series profiles always measure 12.50mm from the outside edge of the profile to the center of the T-slot.

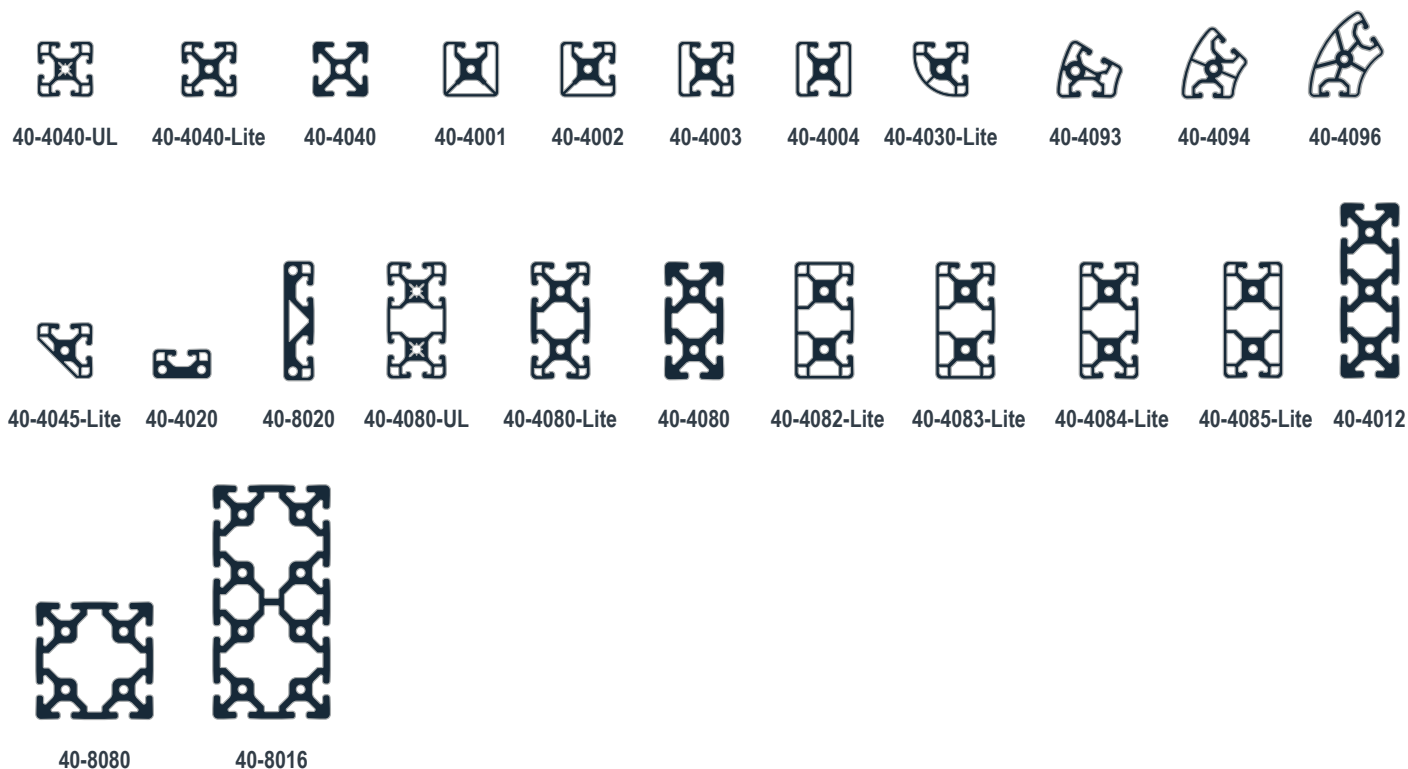

Metric T-Slotted Profiles - 30 Series

30 Series profiles always measure 15.00mm from the outside edge of the profile to the center of the T-slot.

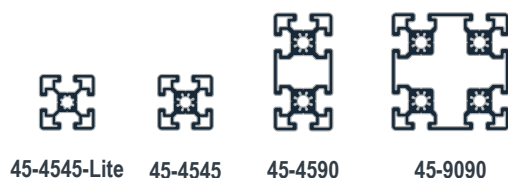

Metric T-Slotted Profiles - 40 Series

40 Series profiles always measure 20.00mm from the outside edge of the profile to the center of the T-slot.

Metric T-Slotted Profiles - 45 Series

45 Series profiles always measure 22.50mm from the outside edge of the profile to the center of the T-slot.

Ready Tube® Aluminum Profiles

Ready Tube profiles always measure .75" from the outside edge of the profile to the center.

Quick Frame® Aluminum Profiles

Quick Frame profiles always measure .5" from the outside edge of the profile to the center.
